# seriously you need to read this

## Please read your entire lease.

Copies are available in the rental office. These are just a few of the very important rules and regulations of your lease. It is vital that you read and understand your entire lease. Violations of your lease may result in you being evicted from your apartment. If you have any questions or concerns, please feel free to stop over at the office or give us a call.

## office hours

The office is open from 8:30 A.M. to 4:30 P.M. Monday through Friday. We are out to lunch from approximately 12:00 to 12:30 daily.

## trash

All trash must be placed in the dumpsters outside. Tenants must keep their balcony or patio free from garbage and debris. A \$10.00 minimum charge will be assessed to each unit of the building if our maintenance personnel have to remove trash from any of the patios or grass areas around your building

## pets

No pets or other animals are permitted anywhere on the premises at any time. Tenant must pay additional rent of \$250.00 for any and/or all breaches of this condition.

## kegs

Kegs are prohibited at College Park Commons. If it is determined that there is a keg in your apartment, you may be fined and you will receive a letter of probation. Please be respectful of the property, your neighbors and the lease.

## noise

Please be advised that loud noises and/or disturbances are prohibited. Please be considerate of your neighbors at all times.

## late rent

The cable and internet service is included in your rent. If rent is not paid by the due date, we have the right to disconnect these services until the account is brought up to date.

## tenant changes

Any tenant changes (tenants leaving the lease – tenants added to the lease), must be made in the rental office. **There are forms that ALL tenants on the lease must sign to make these changes.**

## lease terms

Please read your lease carefully. The lease is a legally binding contract. If you choose to leave, fail out or transfer from the University, you are still bound to the contract with College Park Commons.

## about your utilities

**electric** Tenants have a convenient "All-Inclusive" electric package which includes a \$50 per month per bedroom electric allowance. Tenants will be billed for overages.

**basic cable** is included in your rent.

**internet** is included in your rent.

**phone service** is available.

Please contact the rental office at 530-1311.

## about your safety smoke alarm/fire system

Fire alarms are for your safety and protection. When the building alarm goes off, exit the building as soon as possible and wait for the fire department to clear the building for reentrance. If the smoke alarm goes off in your apartment because of excessive smoke due to burnt food, you should try to fan it out the windows and be patient. If it is an actual fire please exit the building and wait for the fire department.

Because the entire system is hard-wired, if you take the detector off or destroy the cover, it will be very expensive to replace. Our alarm company will respond and you will have to pay for their service call and the expense of replacing the smoke detector which may exceed \$200.

## maintenance

If you have a maintenance request for your apartment, please call or come to the office at Stone Ridge Commons to complete a maintenance request or take one off of the bulletin board located directly across from the office.

You may place it in the drop box if the office is closed.

## about your car

**All vehicles must be registered with the office and have a parking decal displayed on the rear bumper of the vehicle in order to be able to park in the lots at either College Park or Stone Ridge Commons.**

- Parking decals are available at the office in the Stone Ridge Commons building. **One decal per tenant.**
- You will need the following information: Registration Card and Insurance Card. If your vehicle is not registered under your name or one of your parent's names you may not be able to receive a parking decal.
- The cost for a parking decal is \$5.00.
- A boot (vehicle restraint device) will be placed on any vehicle that does not display a parking decal on the rear bumper, parked in the handicapped zone or any place that is not a designated parking place.

### Visitor Parking

If you have a visitor, you must come to the office prior to their visit to obtain a visitor-parking pass to be placed in the windshield of their vehicle. Please bring the visitor's vehicle information (license plate number, make/model). We ask that all visitors park in the auxiliary parking lot located behind apartment #s 63-74 at College Park.
