### The Reviews are IN!

"We have been to several shows here, including bands, and comedians. This is a wonderful venue, and a great addition to our town located right next to Shippensburg University. It is very easy to access, and there is a lot of parking and it is handicap accessible. In actuality, my number one favorite thing about this venue are the employees. The staff is absolutely wonderful. They are mostly volunteers and obviously enjoy their job and I enjoy talking with the staff almost as much as I enjoy the show experience itself."

"What a beautiful venue. You can't go wrong if you're coming here. Great parking. Smooth transition from the front door to your seat. Enjoying the show is all you need to do here..."

- R Rick (Google review)

"Shows are always great, and the center is beautiful. Restrooms are easy to find. And every seat we have sat at has allowed good views of the shows."

- Peggy Szekeres (Google review)

"Beautiful venue, plush seats, so easy to get there and free parking was a dream. Husband and I went to Fab 4 concert on a Friday night. Excellent."
